STATEMENT OF COMPLIANCE

Particulars of Product

Function Area: Radio Communication Simulator
Name and type designation: Poseidon Pharos GMDSS Simulator

Particulars of Manufacturer

Manufacturer: Poseidon Simulation AS
Manufacturer address: Trondheim, Norway

This is to confirm:
That the above product is found to comply with Class A- Standard for Certification of Maritime Simulators No. DNVGL-ST-0033 June 2020.

Application
The above Standard is based on requirements in the STCW Convention, Regulation I/12 and corresponding industry standard and guidelines.

This Statement is valid until 2025-06-25, provided the requirements for the retention of the Statement will be complied with.

Issued at Sandefjord on 2020-06-25

This Statement of Compliance is for the manufacturer offering the simulator for examination or mandatory simulator training and complies with the requirements of DNVGL-ST-0033 Maritime Simulator Systems.

Based on this statement of compliance, maritime training providers in possession of simulators that comply with the requirements of the standard can apply for a product certificate for "Maritime simulator". The simulator's function area and the simulator class according to the standard will be stated on the certificate.
